HSB 4M1- Challenge and Change in Society
Mr.Brazeau
Chapter 2 Assignment

Social Change is defined as changes in the way society is organized, and the beliefs and practices of the people who live in it. Our society today is constantly going through social change in many areas. Your task will be to focus on one specific area of social change that affects you or that you are interested in finding out more information about. You can present your findings in any manner that you see appropriate. You can write a newspaper article, make a pamphlet, power point presentation, or a poster presentation or if you have any other ideas please run them by me first. Your findings will be presented to the rest of the class as 50% of your mark. The other 50% will come from the information that you hand in. In your assignment you must include the following information:

1. Choose a topic for social change. If you are having difficulties finding a topic go to www.heartsandminds.org/issues/index.htm
